**ORDER SETTING DEADLINE TO
FILE MOTION FOR PRELIMINARY
APPROVAL OF THE CLASS ACTION
SETTLEMENT**

19 On December 21, 2012, this case was transferred to this Court from the Northern
20 District of Illinois. ECF Nos. 61-63. In the transfer motion, the parties advised the court
21 that the transfer was designed to enable the instant case to be joined with Newman v.
22 Americredit Financial Service, Inc., 11cv3041-DMS(BLM) for “purposes of class settlement
23 approval.” ECF No. 60.

24 On January 9, 2013, the Court held a telephonic case management conference to
25 discuss the status of the transferred case. Alexander Burke, Esq. appeared on behalf of
26 Plaintiffs and Chad Fuller, Esq. appeared on behalf of Defendant. Counsel advised the Court
27 that the parties in the transferred case have reached a tentative class-wide settlement and
28 that Plaintiff is ready to file a motion for preliminary approval of the settlement. Counsel

1 also stated that they intend to file a joint motion to consolidate the instant case with
2 Newman. Counsel in Newman previously advised the Court that the case had tentatively
3 settled on a class-wide basis and the current deadline for filing the motion for preliminary
4 approval of the class action settlement is February 8, 2013. 11cv3041-DMS(BLM), ECF No.
5 29.

6 In light of the representations made in the motion to transfer, as well as during the
7 case management conference, the Court orders Plaintiff to file her motion for preliminary
8 approval of the class action settlement by **February 8, 2013**.

9 **IT IS SO ORDERED.**
